Which Skier Won the Norway-to-Finland Cross-country Ski Race?

Each ordered pair at the bottom of the page represents a point on the coordinates below. Above each ordered pair, write the letter that appears at that point.

Why Is a Mother Kangaroo Unhappy When It Rains?

Each ordered pair at the bottom of the page represents a point on the coordinates below. Above each ordered pair, write the letter that appears at that point.

What Did The Farmer Do When His Chicken Wouldn't Lay Any Eggs?

DIRECTIONS:

For each exercise, determine whether or not the number in braces is a solution of the given equation. Indicate "yes" or "no" by circling the number/letter in the appropriate column next to the exercise. Then write the letter in the matching number/code at the bottom of the page.
